

DLA- 30/2016 -Sudan Dyes in Spice Powder

terms

Test material :

The material is a mixture of spices with a measurable content of sudan dyes. The material is tested for homogeneity.

Order :

Registration deadline is 23rd November 2016. The reliable order can be sent to our partner Coring System Diagnostix, can be faxed to us, DLA, using attached order form, or using the order form available from www.dla-lvu.de. The minimum number of participants is 10.

Sample shipment :

The samples will be sent to participating laboratories in the week 30. Each participant receives two portions of the same sample, 10 gram each.

Invoicing / Price :

The price for the proficiency test is 212,-- € / participant plus shipping and tax. Shipping and invoicing to other countries than Germany are done by our partner Coring System Diagnostix. Invoices are payable within 2 weeks, for participants from Non-European countries pre-payment is required.

Realisation :

There is a 6 weeks time for performing the analysis.

The method of analysis is optional. Deadline for results submission is 13th January 2017. Submission should be done by e-mail with a prepared excel-file, available from DLA.

DLA intends to finish statistics and interpretation within 6 weeks after deadline for the results. Statistics will be performed with laboratory-mean-value of Sudan I, II, III, IV and 7B and Auramin O, if at least 8 quantitative results are submitted. Single-results for determined Sudan-dyes, recovery, other detected dyes and details about the method of analysis will be documented as submitted. Statistics imply test for outliers, robust mean, median, robust standard deviation and z-score. Remarks to the results, limits of detection / determination and methods will be documented. Each participant receives an anonymized, complete analysis PDF-report file, identifying the own results by individual code in case payment was done. A print-out can be sent on demand.
